Book Description

The Los Angeles Times has hailed Southern California' hiking guru Jerry Schad's Afoot & Afield San Diego County as "the bible of San Diego hiking." Encompassing the county from Sunset Cliff Park and the Bayside Trail at Point Loma to Fonts Point in the Borrego Badlands, this hiking guide is the "must-have" to explore San Diego's diverse outdoors. The book covers all the worthwhile hiking destinations throughout the county - including the coast, foothills, mountains, and desert - in trips ranging from the short family excursions to multi-day backpacks. This long-awaited fourth edition of San Diego County's most recognized and comprehensive hiking guide has been fully updated and expanded to cover 250 hikes. All new maps.
