## **Book Description**

This popular guidebook is the most complete resource available on Arkansas hiking trails. It contains 78 maps and complete descriptions of trails all over the state - from short nature walks, to long-distance backpacking trails, and lots of others in between. It covers all of the major trails, plus many unheard of ones that lead to spectacular scenic areas. There is information about hiking, camping, equipment, and other useful subjects. Tim Ernst has hiked more trails in Arkansas than anyone, and his advice will be valuable for anyone who hikes, or wants to. It makes a great gift! The foreword was written by former President Bill Clinton.
