Book Description

The Grand Canyon State consists of a mountain chain, heavily forested and rich in minerals extending northwest to southeast with desert occupying the southwest. Arizona harbors a vast diversity of wildlife including 551 species of birds. This beautifully illustrated guide highlights over 140 familiar and unique species and features a back panel map of the state's eco-regions and most prominent birding hotspots. Laminated and pocket-sized, it is an ideal field reference for residents and tourists alike. Made in the USA.
