Book Description

PowerPort 2 Elite The Optimized 2-Port USB Wall Charger From ANKER, America's Leading USB Charging Brand - Faster and safer charging with our advanced technology - 20 million+ happy users and counting Fast-Charging Technology Anker's exclusive PowerIQ and VoltageBoost combine to deliver high-speed charging for any device. Ultra-Powerful Dual USB ports pump out 24 watts. Enough power to simultaneously charge two iPads at full speed. Comprehensive Safety Anker's exclusive MultiProtect safety system provides surge protection, short circuit prevention, temperature control and more advanced features to keep you and your devices completely safe. Travel Ready Compact design, foldable plug and international voltage input make PowerPort 2 Elite incredibly portable and ideal for travel-anywhere in the world. Durable Design Robust textured exterior resists wear, scuffing, and scratching. Premium internal components ensure perfect operation-even after being bumped around, shoved in a bag, or dropped on the floor. Worry-Free Warranty At Anker, we believe in our products. That's why we back them all with an 18-month warranty and provide friendly, easy-to-reach support. Note: This charger does not support Quick Charge 3.0. Devices equipped with Quick Charge, like the Samsung Galaxy series, will charge at normal speeds.
