Book Description

Every motorcycle adventure presents new challenges – terrain, weather, geography, mechanical issues, survival and navigation. Adventure Riding Techniques is designed to act as the essential and definitive guide to all the specialist skills one would need for off road adventure riding. It is designed to fill the reader with the confidence needed to undertake a long distance adventure ride, whatever the conditions. The book delivers a practical approach to adventure bike basics, riding techniques, crossing different types of terrain (everything from rivers and mud to rocks and deep sand), riding positions and strategies for survival. A long distance motorcycle journey is a significant undertaking and giving the reader insight into vital techniques and skills is this book's unique difference. Specialists in the field will be used to demonstrate techniques and provide insightful information for aspiring adventure riders.
