Book Description

PowerCore 10000 The Compact High-Capacity Portable Charger From ANKER, America's Leading USB Charging Brand • Faster and safer charging with our advanced technology • 10 million+ happy users and counting Astonishing Size PowerCore 10000 is incredibly small and light for its large capacity. It's smaller than a deck of cards and as light as a baseball, but can charge a phone over three times and most tablets once. High-speed-Charging Technology Anker's exclusive PowerIQ and VoltageBoost technologies combine to ensure the fastest possible charge up to 2.4 amps. Does not support Qualcomm Quick Charge MultiProtect Safety System Surge protection, short circuit prevention and more advanced safety features keep you and your devices safe. Unrivaled Quality Designed and built using only high-quality chips and hardware. Worry-Free Warranty At Anker, we believe in our products. That's why we back them all with an 18-month warranty and provide friendly, easy-to-reach support.
