Book Description

The most comprehensive guide to Albania available is published in a new edition, updated throughout and with re-drawn maps to show newly constructed and upgraded roads. New material has been added to expand coverage of outdoor activities. Albania boasts several world heritage sites and thanks to the increasingly stable political situation tourism to the country has grown rapidly in recent years, especially amongst backpackers, archaeology enthusiasts, outdoor activity fans and ornithologists. The author has lived and worked in Albania, speaks the language well and continues to visit regularly.
