## Book Description

Get the perfect guide to rocks and minerals of the Grand Canyon State! This handy book by Bob Lynch and Dan R. Lynch features comprehensive entries for 106 rocks and minerals found in Arizona, from common rocks to rare finds. The authors know rocks and took their own incredible, full-color, sharp photographs to depict the detail needed for identification—no more guessing from line drawings. Entries are organized alphabetically, and the easy-to-use format means you'll quickly find what you need to know. With professional pictures and all the important details—including what to look for and where to look for it—identifying and collecting is more fun and informative than ever!
